BAZAR Contenedores Redondos

CONSEJO:

Si organizamos nuestros espacios podemos hacer nuestra vida más sencilla. Es indispensable para esta tarea maximizar el espacio, almacenar los alimentos perecederos y los artículos abiertos en contenedores modulares capaces de apilarse unos sobre otro. Así nos deshacemos de cajas y bolsas muy grandes, que ocupan mucho lugar, colocando los alimentos en tarros transparentes, diseñados para ahorrar espacio, evitar derrames y mantener los alimentos frescos.

T-026
Tarro Cuccina con tapa
1500 cm³ / 50.9 oz
Pote redondo com tampa/
Round kitchen pot with lid.
